Shelf mark Walters Art Museum Ms. W.111 **Descriptive Title** Franciscan Liturgical Psalter

Text title Psalter

Abstract This Psalter was made for Franciscan use in Cologne in the

late thirteenth century. It was owned in the late fifteenth or sixteenth century by the Augustinian nuns of St. Cecilia in Cologne, who added the calendar, the Breviary texts, prayers, and the Collect at the end. The manuscript is written in Latin and in the Ripuarisch dialect spoken in the Cologne region. The style of the historiated initials, as well as that of the bar borders topped with grotesques, closely resembles the style of Walters Ms. W.41 and of the two graduals made for the Franciscans of Cologne in 1299 by Johannes von Valkenburg (Cologne, Diözesanbibliothek, Ms. 1B, and Bonn, Universitätsbibliothek, Ms. 384). It is a well-preserved

example of High Gothic illumination in Cologne.

After the back flyleaves there are 5 stubs. Quire 4 is clearly not in its original structure, and it originally consisted of two quires. It is difficult to determine the structure of the quire, which has two centers, between fols. 27v-28r and 33v-34r. The remains of the first part of the quire (of which fols. 24-26 are extant) seem to have been stitched into the second part of the quire.
