Descriptive Title Alphonsus de Benavento, Treatise

Text title Tractatus "De Illis Etiam"

Author *Supplied name:* Alphonsus de Benavento

Abstract Alphonsus de Benavento wrote the treatise on penitential

canons and acts of confession contained in this manuscript. The colophon informs us that Alphonsus was a professor of canon law at the university of Salmanca, Spain, and wrote this manuscript in 1456 in the nearby city of Tejares. At that time there was a pestilence in the city, for which Alphonsus asks for prayers. A historiated initial in which Alphonsus presents the treatise to a bishop begins the text, and the manuscript still retains its original stamped red
